About Us

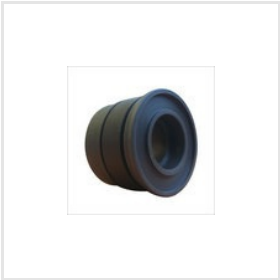

Backed by immense industry-specific adroitness, world-class infrastructure facilities, and a team of conducive and adept professionals, we, Tanishka Engineer, are thriving in the industry. Established in the year 2022, we are one of the renowned manufacturers and suppliers of a diverse array of products that are immensely required in varied industrial sectors. Our range comprises Cast Nylon Rods, Cast Nylon Pulleys, Nylon Casting Rings, Cast Nylon Gear Wheels, and more. All the aforementioned products are manufactured under the able guidance of our certified experts, who make use of advanced technology for manufacturing them.

Our customers can buy the products from us at market-leading prices. Furthermore, under the able guidance of our mentor, Mr. Avdesh, we have carved a niche for ourselves. He has extensive industry experience and immense knowledge about the market that help us provide a superior range of products and highly competitive deals to our customers.
